1ST SEMESTER OF S.Y. 2026-2027

NAME: _____
PROGRAM/YEAR/SECTION: _____

DATE: _____
SCORE: _____

I. ASSESSMENT ACTIVITY

Reminder:

- Format: Typed or handwritten is accepted. If typed, it should be in Arial size 11, double-spaced. Answers should be a minimum of three paragraphs.
- Submission: Hardcopy in A4 sized paper and as a Word document when Google Classroom is established.
- Deadline: Day of next meeting/class schedule on the subject.

Instructions

For your first task in ITEC 116 – Systems Integration and Architecture 2, We will assess how much you've learn from the first part of the course. You will answer a few questions below and answer it following the format that was provided above.

Assessment Questions

1. What is Enterprise Architecture, and why is it important for organizations today? Explain this in your own words.

2. Based on the first part of this course which is the Systems Integration and Architecture 1, what are your key takeaways from the first part and what's your expectation on the second part of this course?

3. Overall, what information would you like to learn on this course and how will you apply that to real-world IT or business scenarios?

Grading Criteria

Criteria	Description	Points
Understanding of Concepts	Demonstrates accurate and clear understanding of EA concepts covered in the module	30%
Depth of Reflection	Provides thoughtful, personal insight rather than surface-level restatement	30%
Use of Examples	Supports ideas with relevant examples or real-world connections	20%
Organization and Clarity	Answer is well-structured, coherent, and free of major grammatical errors	20%

Purpose of This Activity

- This is designed to help you consolidate what you've learned, connect abstract concepts to practical understanding, and build a foundation for the more technical topics ahead in Systems Integration and Architecture 2.

~ At the end of the day, your efforts are all worth it and don't give up on trying and the Almighty will guide you moving forward ~
